### 1. Preface

This is the third newsletter from the local organization of RoboCup 2013 in Eindhoven, The Netherlands. In this newsletter an update of the registration, the letter of invitation and the Major and Junior schedules is given.

For other topics, e.g. cargo, VISA, accommodations, please visit the website for RoboCup 2013 ([www.robocup2013.org](http://www.robocup2013.org)). The overview of accommodations has been updated with holiday parks in the vicinity of Eindhoven besides the Junior Camping and hotels/hostels.

The event is only 2 months away and the organization is proceeding ever more rapidly. We are working hard with a large and enthusiastic team to make RoboCup 2013 a competition that brings fun, excitement and technical highlights for both the participants and the public. You can also follow us on Twitter (@RoboCup2013 [twitter.com/robocup2013](https://twitter.com/robocup2013)) and Facebook ([www.facebook.com/RoboCup2013](http://www.facebook.com/RoboCup2013)).

### 2. Registration

The early registration deadline for the Major competitions (April 30) is approaching rapidly. So, if you want to benefit from the reduced early registration fees, make sure you registered before this date.

The Junior pre-registration deadline by regional/national representatives (May 4) is also almost due. Early registration for Junior teams is still possible until May 31.

For both Major and Junior teams, please make sure to register your teams before May 31 as no team registration is possible anymore afterwards.

For more information regarding registration, see [www.robocup2013.org/registration/?lang=en](http://www.robocup2013.org/registration/?lang=en)
